

RE CLAIM IT

ReClaimIt is a special asphalt blend for crushed and reclaimed asphalt.

ReClaimIt is a special asphalt blend and rejuvenator that will revitalize asphalt grindings.

ReClaimIt provides a simple one step method for restoring and preserving asphalt. By simply spraying a top coat of ReClaimIt upon asphalt surfaces it readily penetrates and binds particles together, dries quickly, and remains flexible.

ReClaimIt will seal reclaimed and crushed asphalt against intrusion of air and water, thereby slowing oxidation and increasing durability.

Please contact Lyman Dust Control, Inc. to discuss your application and we will provide you with additional information and pricing for ReClaimIt.
